

The GENERAL NEW

August 2020

SHERIDAN MIDDLE SCHOOL

Hello General Families! We would like to welcome everyone to the 2020 – 2021 school year. Whether your family is beginning the year through our Remote or In-Person learning format, we are here to support your students and family during the upcoming school year. We are very proud to have each of you as a member of our middle school family.

We would like to take this opportunity to share updates and general information pertaining to our middle school building. We know that this year is going to look different, but please keep in mind that the following adjustments made in our “normal” routines are for the safety of our students and community.

- All Staff, Students must follow district mask policy.
- Students will be receiving a district issued chrome book following our district policy and student/family technology agreement.
- Students will be scheduled in homeroom cohorts or groups, in which they will travel with throughout the day. (Classes, Lunch, Recess...)
- Locker visits will be limited.
- We encourage students bring their own refillable water bottle.
- We recommend disposable items for students packed lunches.
- Students do not need to bring all school supplies on the first day. Please send a comfortable amount each day throughout the first week.
- At this time, no visitors will be allowed into the building.
 - We ask parents to call the front office for late arrival and early pick up. Our Secretaries will assist you through that process.
 - Families must contact the school nurse to schedule drop off and pick up for student medications.
 - Parents wishing to meet or speak to with any staff member will need to call or email the staff member.
 - No outside groups will have access to the building before, during, or after school.
 - We are unable to allow outside food for class activities, birthdays or feed the team events.

We appreciate your understanding and cooperation as we move forward. We will continue to communicate all changes and updates as we work towards the start of our school year. We look forward to serving all of our students this year and are excited to get back to school.

Kirk Washburn
Principal

Mike Rodich
Assistant Principal

DATES TO REMEMBER

Friday 8/14/20 – Remote Learning Forms Due

Monday 8/24/20 – First Day of School

Friday 9/4/20 – Teacher Professional Development Day

Friday 9/4/20 – Last Day for Remote/In-Person Transition for 1st 9 weeks.

Monday 9/7/20 – Labor Day (No School)

Remote Learning Option

Families may choose for their children to attend remotely from home.

In this format they will attend and complete scheduled daily online instruction and assignments through Zoom and/or Google Classroom.

In choosing this option you are agreeing to a nine week commitment to this remote format.

There will be a two week window at the start of the year in which families may transition between our Remote and In-Person formats.

The form for enrollment is located on our SMS homepage and must be completed and turned in to our front office by August 14th.
